BUCKET BRIGADE

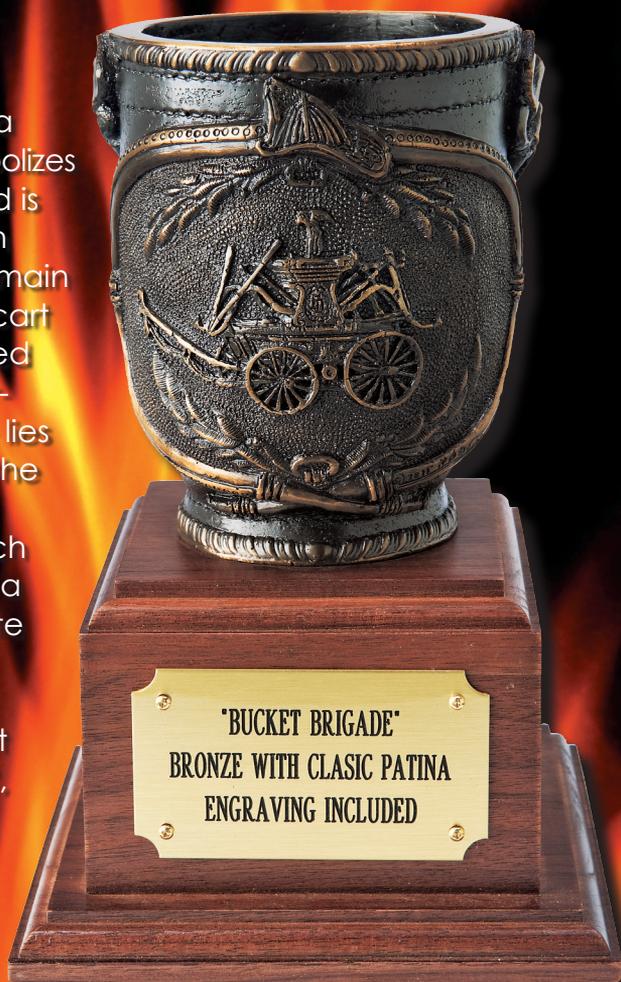

BUCKET BRIGADE

This bronze fire bucket is a nostalgic piece that symbolizes strength in teamwork and is deservedly adorned with firefighting tradition. The main feature is a classic handcart that is beautifully captured and framed by a leather-riveted hose. The handle lies against the backside of the bucket to complete the sculpture. Finished in a rich patina and mounted on a walnut base. A brass plate of engraving is included for personalization.

Total Height 9 ¼", Bucket 4" diameter, height 5 ¼", weight 5 pounds
